

THINK LIKE AN A CONFERENCE TO HELP YOU CREATE AND GROW YOUR BUSINESS ENTREPRENEUR

30 APRIL & 1 MAY 2010
THE OXFORD BELFRY

**'THINK LIKE AN ENTREPRENEUR' IS A CONFERENCE INSPIRED BY THE
AUTHORS AND ENTREPRENEURS ROBBIE STEINHOUSE AND CHRIS WEST...**

**THE TWO DAY PROGRAMME HAS BEEN DESIGNED WITH ALL BUSINESS PEOPLE IN MIND –
FROM THOSE NEW TO THE CONCEPT OF ENTREPRENEURSHIP TO THOSE ALREADY RUNNING
BUSINESSES BUT WHO WISH TO REFOCUS AND REFRESH THEIR WAY OF THINKING.**

The programme is packed full of inspirational lectures, top tips, sage advice, personal stories of success (and sometimes failure) and plenty of networking opportunities. The conference includes two neuro-linguistic programming workshops.

We understand how important it is for business people to network and have the opportunity to sit down with a supplier and discuss their needs face to face and so we have included two dedicated 'speed networking' sessions in the conference programme.

The Networking Dinner is an opportunity for delegates to meet each other, discuss their ideas and introduce their businesses.
